

Preconference Speakers

Tony Watkins

Claude Drouet

Teepa Snow

Join us virtually April 24th for the 2022 Optimal Aging Preconference!

This year's preconference will feature a full-day session with Tony Watkins, MA-MFT on managing and assessing suicide risk and a half-day session with Claude Drouet, LCSW on addressing the complexities of social work ethics.

Continuing education opportunities for the following disciplines:*

- **Assessing and Managing Suicide** – social work, nurse practitioners, medical CMEs, pharmacy, nursing, dentistry, PA, EMS/paramedic/first responders, and nursing home administrators
- **Social Work Ethics: Addressing Complexity** – social work

*continuing education credits pending approval

Free Teepa Snow Webinar

Teepa Snow is an occupational therapist who specializes in dementia care and education. She will be giving a special presentation April 24 from 4:30 pm to 6:30 pm on how to cope when you're the sole caregiver as part of the 2022 Optimal Aging Preconference. This webinar is free and open to the public.
