About Teepa Snow: Teepa is an advocate for those living with dementia and has made it her personal mission to help families and professionals better understand how it feels to be living with the challenges and changes that accompany various forms of the condition so that life can be lived fully and well. Her company, Positive Approach to Care, was founded in 2005 and offers education to family and professional care providers all over the world. Her training, services, and products are available through video, online education, and in-person trainings and consulting. She's currently working with national and international projects and organizations. She currently offers time and support for many advocacy and support networks across the world.
