

Greater Kentucky & Southern Indiana Chapter

The Alzheimer's Association offers many programs and services, which may be of interest to you.

Helpline is available to you 24/7; 365 days a year. Whether you just need a list of doctors or have issues with communication, behaviors or safety. We are here: 1-800-272-3900.

Volunteers: The Alzheimer's Association is a volunteer driven organization. Without volunteers we cannot provide services such as support groups, education, advocacy, and awareness. Volunteer Today: 1-800-272-3900 or https://www.alz.org/kyin/volunteer/volunteer_opportunities

TrialMatch: The only way we will find a cure is if everyone (caregivers, persons with memory loss, healthy individuals, and those with a family history of memory loss) are willing to participate in research. By signing up for TrialMatch you are not committed to participating in research but will be informed of research available to you if you choose to participate. One of the best benefits of signing up is that you and/or your loved one are linked with the top neurologists in the country & you will be on the cutting edge of research. 1-800-272-3900 or <https://trialmatch.alz.org/find-clinical-trials#createaccount>

Programs such as:

Early Stage Programs: We have specialized programming for those in the early stages of memory loss. These programs are uniquely created for the needs of those in the early stages and their caregivers. 1-800-272-3900 or https://www.alz.org/kyin/helping_you/early_stage_opportunities

Support Groups: Throughout Indiana and Kentucky the Association offers caregiver support groups designed to help provide resources and support. We offer specialized support groups too: early stage and middle stage both for caregiver and those with memory loss 1-800-272-3900 or https://www.alz.org/kyin/helping_you/support_groups

Telephone Support: A unique service that connects caregivers to fellow caregivers and those with early stage memory loss to others effected by memory loss by phone monthly as an opportunity to share experiences, advice, and concerns. Anyone can listen. Not everyone can understand. 1-800-272-3900 or https://www.alz.org/kyin/helping_you/early_stage_opportunities

Memory Cafes: monthly social groups throughout Kentucky and Indiana for those in all stages of memory loss and their caregivers. These Cafes provide a safe, comfortable, engaging environment where participants can laugh, learn and remain socially engaged. 1-800-272-3900 or https://www.alz.org/kyin/helping_you/education_programs

Caregiver Education Programs including topics such as behaviors, communication, basics of memory loss, stage specific programming (early, middle, late) legal and financial. 1-800-272-3900 or https://www.alz.org/kyin/helping_you/education_programs

Care Consultations: one-on-one consultation with Alzheimer's staff to provide personalized guidance for families, caregivers, and those coping with memory loss. 1-800-272-3900
