

ALZHEIMER'S AND DEMENTIA EDUCATION YOU CAN TRUST

The Alzheimer's Association® provides care and support to those affected by Alzheimer's and all other dementia through free, high-quality education programs. Explore our convenient learning opportunities focused on Alzheimer's disease, caregiving, communication and more. All programs can be delivered virtually or in-person.

The 10 Warning Signs of Alzheimer's

60-minute and 30-minute options available.

This education program will help you recognize common signs of the disease in yourself and next steps to take, including how to talk to your doctor.

Understanding Alzheimer's and Dementia

60-minute and 30-minute options available.

Learn basic information on the difference between Alzheimer's and dementia, stages, risk factors, research and FDA-approved treatments.

Understanding and Responding to Dementia Related Behaviors

60-minute and 30-minute options available.

Review caregiver tips and strategies to respond to some common behaviors exhibited by individuals living with dementia, such as agitation, confusion and more.

Managing Money: A Caregiver's Guide To Finances

60-minute option only.

If you or someone you know is facing Alzheimer's disease, dementia or another chronic illness, it's never too early to put financial plans in place. Join us to learn tips for managing someone else's finances, how to prepare for future care costs and the benefits of early planning

Effective Communication Strategies

45-minute and 30-minute options available.

Explore ways that Alzheimer's and other dementias affect an individual's ability to communicate across different stages, and get tips to better communicate with people living with the disease.

Dementia Conversations

45-minute and 30-minute options available.

If you know someone who is experiencing changes in memory, thinking and behavior, this education program provides tips and strategies for difficult - but important - conversations about changes that may be related to dementia.

Healthy Living For Your Brain and Body

30-minute and 60-minute options available.

This program is designed to offer you research-based recommendations about taking care of our brains and our bodies in order to age as well as possible.
