

Project ECHO: Care of Older Adults

*a community of practice embracing
tele-mentoring to improve the care of older adults*

**Join our community of learning and practice to
explore real-world issues:**

- Patient-/family-centered care
- Treatment & care of those with Alzheimer's Disease and related dementias
- Inter-professional collaborative care
- Behavioral health interventions
- Chronic health conditions

Join us for the Care of Older Adults orientation on August 16 with a presentation from Dr. Furman and Dena Wilson on "Interprofessional Team Skills"

Full curriculum and continuing education coming soon

Sept. 20 - Dec. 6
1st & 3rd Friday of every month
12:00 pm - 1:00 pm
