

# Project ECHO: Care of Older Adults

*a community of practice embracing  
tele-mentoring to improve the care of older adults*

Join our community of learning and practice to  
explore real-world issues:

- Patient-/family-centered care
- Treatment & care of those with Alzheimer's Disease and related dementias
- Inter-professional collaborative care
- Behavioral health interventions
- Chronic health conditions

Spring Schedule Coming Soon

January 17 - May 15  
1st & 3rd Friday of every month  
12:00 pm - 1:00 pm
